Ok on the meeting, although we need to vet the issues through Cinna before committing to a face-to-face meeting. She, Bill and I have been working on many issues related to the cooperative agreements, so there may very well be overlap on these issues.

Yes, include Russ, Bill and me, please.

Agree. We also would like to meet regarding funding, managing community expectations and a possible need for Cinna travelling to Durango/Silverton to address a number of questions that Cynthia is dealing with. I could set up an invite for next week when Cynthia is back. Since it's Cinna should I include Russ as well and possibly Bill since he's on the GKM Leadership Team? Anyone else?

Thanks Libby. The Remedial Program (i.e., me, Liz, Paula) would appreciate a download from Cynthia from the ARSG, Town and County meetings.

All,

In setting up a meeting with Anthony Edwards (municipal/county judge and communications director for Silverton and San Juan County) while in Silverton this week, I learned that there will be a meeting on the GKM on Wednesday evening. I spoke with Anthony, and he told me that the meeting was being held jointly by the town and county to update citizens on GKM and discuss future activities. He thought it would be a good opportunity for me to hear the current thoughts and concerns of the community. Since I think it would seem strange for me to be in town and not attend, I plan to go to the meeting as an observer. I am meeting with Anthony, Willy and Chris Tookey, and Bill Gardner this afternoon and will let them know that I'm not coming to the meeting prepared to speak, though I could discuss the transition from ICP to Region 8 and relevant points of contact.

Please let me know if you have any questions or would like more info.

Cynthia,

Please be advised, we will be having a public meeting on the Gold King and current events this coming Wednesday from 4:30 to 6:30. In addition, there will be one on one meetings held with the elected officials during the daytime. We would welcome your participation in these activities. In regards to Tuesday, I am available to meet Tuesday afternoon prior to the ARSG meeting.

Best,

Anthony Edwards

Hi, Anthony.

I'm sorry for such short notice, but I am just now firming up my travel plans. I am going to be in Silverton next Tuesday afternoon and all day Wednesday. I was hoping we might get together while I'm in town. Do you have any time free on either of those two days?

Thanks!

Cynthia
